ABBYY puts your information to work. We combine innovation and experience to transform data from any document, any format, any language, any time into intelligent actionable outcomes, so our customers can spend more time on what matters most.

### Key Facts

**Worldwide presence**
ABBYY has a worldwide presence with headquarters in the United States and offices in 12 countries, including Germany, UK, France, Spain, Cyprus, Ukraine, Serbia, Singapore, Hungary, Australia, and Japan. Our global workforce of approximately 800 employees reflects the world, representing over 30 nationalities.

**Customer outcomes**
- 400% increase in employee productivity
- Millions in cost savings through process analysis
- 95% automated document processing out of the box
- 30% increase in efficiency
- Business decisions made 30X faster
- 85% faster reporting

**Global leadership**
10,000+ customers, including many on the Fortune 500, trust ABBYY.

### ABBYY Technologies
- ABBYY FineReader: 30-year history of scanning, OCR, and document management.
- ABBYY Recognition Services: Hybrid OCR and Intelligent Document Processing.
- ABBYY Language Technologies: Sophisticated NLP technology.
- ABBYY Translate: 14 languages that can be translated.

### Powering business transformation
ABBYY technologies transform how organizations work by improving business processes and providing access to data that’s locked in documents. We combine innovation and experience to deliver transformative solutions using best-in-class artificial intelligence, machine learning, natural language processing, and computer vision.

### ABBYY ONE
The ABBYYONE partner program enables intelligent automation throughout enterprises across the globe. With over 1,000 Business Partners and Technology Alliance Partners (TAPs), ABBYYONE connects a diverse ecosystem of partners with ABBYY’s industry-leading intelligent document processing (IDP) and process intelligence solutions.

### ABBYY Business Partners
ABBYY Business Partners resell ABBYY products and provide additional customization, services, and support to end customers.

### ABBYY Technology Alliance Partners
Global Independent Software Vendors that add value to ABBYY products. Together, we power intelligent automation.

### ABBYY One
ABBYY’s proud to be the intelligent automation partner of Arsenal Women.

### Industries
- Banking & Finance
- Healthcare
- Government
- Transportation & Logistics
- Other industries

### Intelligence
- Intelligent document processing
- Process and task mining
